**Subject: Notification to the NPFC of Intention to Carry out Boarding and Inspection Activities**

Dear Dr. Moon,

This is to inform you the amendment of the letter from Fisheries Agency of Japan which is to notify to the NPFC of Intention to Carry out Boarding and Inspection Activities. Please find the attached revised annex of the letter shipped date on 24 January 2019.

With respect to paragraph 6 of CMM 2017-09, additional written notifications to the Commission from the Contracting Party as well as the Fishing Entity are required.

With respect to paragraph 14. (a) (i), please find the details of the vessels for registration in the corresponding NPFC Inspection Vessel Registration Form under Annex A. Also included as part of this annex is an example of the credentials issued to inspectors (per paragraph 14. (a) (ii)) and the names of the authorities responsible for boarding and inspection (per paragraph 14. (b) (i)).

With respect to 14 (a) (iii), please consider this as notification that the inspection vessels are clearly marked and identifiable as being on government service.

With respect to paragraph 14 (a) (iv), please consider this as notification that the crews have received and completed training in carrying out boarding and inspection activities at sea in accordance with any standards and procedures as may be adopted by the Commission.

With respect to 14 (b) (ii), please consider this as notification that Japanese inspectors and assigned boarding crews are fully familiar with the fishing activities to be inspected and the

provisions of the Convention and conservation and management measures in force.

With respect to 14 (b) (iii), please consider this as notification that Japanese inspectors have received and completed training in carrying out boarding and inspection activities at sea in accordance with any standards and procedures as may be adopted by the Commission.

Sincerely,

*Takashi Koya*
